

**Dear Parents,**

Held under the patronage of H.H. Sheikh Mohamed Bin Zayed Al Nahyan Crown Prince of Abu Dhabi and Deputy Supreme Commander of the UAE Armed Forces and brought to you by Abu Dhabi Educational Council (ADEC) and the Abu Dhabi Technology Development Committee (TDC), the Abu Dhabi Science Festival (ADSF) is back for the fifth consecutive year.

Taking place from 12-22 November 2015, the festival will be held at the prime location of Mushrif Central Park in Abu Dhabi and with spectacular shows organized at Al Ain Zoo.

The largest science festival in the region, ADSF has been attended by nearly half a million visitors since its inception. ADSF aims to spark the imagination of the nation's youth in science and technology, encouraging them to engage with STEM subjects and pursue these throughout their education and career choices.

Bursting with hugely popular returning content and featuring exciting additions, ADSF 2015 will bring the wondrous world of science with an exciting, engaging and educational scientific activities from fun workshops to interactive exhibits and spectacular shows.

To ensure your space at the workshops and shows, we strongly recommend to check the program and book your admission tickets in advance through [www.abudhabisciencefestival.ae](http://www.abudhabisciencefestival.ae)
