

**Student Computer and Internet Contract
2018-2019**

1. Students are responsible for their own school provided devices. Passwords and usernames are to be reserved.
2. Students are to only use appropriate language at all times.
3. Students are not to access any social media programs during school times unless there is Admin permission.
4. Any activity occurring on social media outside of school hours should not impact the school, students, teachers or administrators.
5. Students are to abide by their own school given username and password and not to impersonate as someone else.
6. For school safety and integrity, students are NOT to attempt accessing or bypassing any security settings or internet blocks and filters, or attempting to install illegal software on school devices.
7. Vandalism of any school property is strictly prohibited. This includes program files, settings and hardware.

If any of the above mentioned statements are broken, the School Behavior Policy will be followed.

I have read the statements mentioned above and agree to all terms:
